Ceramic translation

"Cardboard tailor made"

Attese disilluse e sogni non realizzati. Il Cartone a rappresentare il palcoscenico su cui i personaggi scrivono la propria storia, una storia fatta di indifferenza e di convenzioni da sovvertire. Miseria Vs Nobiltà? No! Miseria e Nobiltà. Il linguaggio usato? La Ceramica!!!

Waitings disillusioned and unfulfilled dreams. Cardboard to represent the stage in which the characters write their own story, a story made of indifference and conventions to subvert. Miseria Vs Nobiltà? No! Miseria and Nobiltà. The language used? Ceramics!

Le basi "semplici" dell'Avana e del Greggio sono il "palcoscenico" dove è romanzata la storia dei suoi protagonisti che prendono vita in pattern sartoriali a "effetto wallpaper" mediante serigrafie di colore black&white. Le nuove magnitudini moltiplicano la "forza decorativa", attenuata, solo dalla neutralità del cartone.

The simple basis of Avana and Greggio are the stage on which the story of their characters is told in tailoring patterns black&white that create wallpaper effects. The new magnitudes multiply the decorative force only attenuated by the neutrality of cardboard.
